ANNANDALE NORTH PUBLIC SCHOOL

Is your child old enough to start Kindergarten in 2023?

Children can start kindergarten at the beginning of the school year if they turn 5 on or before 31 July that year.

Find out more about our fantastic school by participating in our Orientation Program.

At Annandale North PS we want to welcome each family to the school and support all students to transition successfully.

Parents need to complete an Enrolment Form. If you live in our catchment, you will have automatic entry. If you live outside the catchment, we will consider all applications on a case by case basis. Please call the office if you have an enrolment question, or email the school.

We have several opportunities for families to get to know the school:

INFORMATION NIGHT—13 September at 6.15pm—parents are invited to our informal information session to meet the teachers and Principal. You will hear about the transition to school program, what happens at school and what is on offer at Annandale North.

FAMILY INTERVIEWS— 18 October — each family will have a meeting with the Principal and Assistant Principal for Kindergarten. This is a time for us to get to know your child and hear about their pre-school experience. We will email an interview time.

TOUR OF THE SCHOOL—10 August, 29 August, 22 September— join a tour of the school to get a feel for the learning space. Call the office and book a the time that suits your family. Further tours will be run later in the year. If you are an out of area applicant, please book a tour once enrolment is confirmed.

ORIENTATION 1— 1, 8, or 15 November from 9.15-10.45am—come along and have a play at school. Students have a short tour as well as joining in with some singing. A morning will be allocated after Family Interviews

ORIENTATION 2— 31 Jan, 1 or 2 February 2023—students come for a morning. They will complete an activity as well as doing the Best Start assessment.
