At Annandale North PS we want to welcome each family to the school and support all students to transition successfully.

If you live in our catchment, you will have automatic entry. If you live outside the catchment, we will consider all applications on a case by case basis. Please call the office if you have an enrolment question or email the school.

We have several opportunities for families to get to know the school:

OPEN DAY and SCHOOL TOUR—1st August, 2024 9:30am or 2:30pm—Come along to our informal information session to meet the teachers and Principal. You will hear about the transition to school program, what happens at school and what is on offer at Annandale North.

ORIENTATION— 14th November, 21st November and 28th of November from 9.30-10:30am—Students who have had their enrolment confirmed are invited to visit the classrooms and do some work! Parents will attend information sessions and have the opportunity to ask questions whilst the children are in classrooms.
